## **PRODUCT DESCRIPTION**

Classic 1955 Chris-Craft 17 Sportsman. She is powered by her original-rebuilt KLC (120 HP) engine. She has been used by the same family for the past 50 years! She always sit in the water all summer season, takes very little water. Her bottom has been recently re-chalked and bilge painted. Her interior was recently stripped, stained and varnished. Her hull and deck could use a refinish, but solid and sound! This would be a great project to get her back to new. Included is her road trailer and mooring cover. Own a little piece of history while enjoying her on the lake for a cocktail cruise or summer picnic.
