PRODUCT DESCRIPTION

>>OWNER SAYS SELL HER<

The boat is very spacious with plenty of room to live on for the summer. There is amply head space for those of us that are taller. Nice wide-open kitchen and roomy seating in the galley. The owner was meticulous with its upkeep. This model in particular is very easy to walk around with the way the gunnels were designed. There are stairs running up both the port and starboard side of the boat coming out of the cockpit leading out onto the foredeck of the boat. Bring your family in and see this floating condo; fond lifelong memories are made from these kinds of boats.
