PRODUCT DESCRIPTION

Fresh Listing, great 2006 Manitou Pontoon. She is powered by her 2007 Evinrude E-TEC 115 HP. Recent tune-up and gearlube change-she runs great! New teak-look flooring makes her stand out! she also comes with her road trailer. She is a steal at \$14,950. Designed with the fishing enthusiast in mind, the Manitou 24 Osprey has front casting chairs that are convenient and comfortable. The handy livewell keeps the catch fresh, and a built-in tackle box in the helm has four removable trays to keep tackle handy. The Osprey has the stability and smooth handling that lets passengers enjoy an easy cruise around the lake or go all out with fast past fun. Plus its clean lines and attractive graphics not only make it look great, but make it a joy to own.
