PRODUCT DESCRIPTION

This is truly a real functional family friendly boat with its Yacht certification it can handle the whole gang powered by a Mercruiser 377 Mag Fuel injected engine and paired with the Bravo III drive it packs plenty of punch to enjoy any type of watersports the family desires with the optional trim tabs with indicator you can control the ride comfort with ease. With the optional Power Aluminum Arch it makes the boat even more stunning along with the ability to lay it down with ease for trailering and storage. Windlass makes anchoring the boat something a 5 year old can do the led interior and underwater lighting makes this boat stand out at night and with the enclosed head with electric head and sink you can spend hours out on the water without have to come back in till your done for the day two on board coolers make it easy to bring all you will need along with storage under the seats and a X large lockable floor storage locker all your gear will have a place. Red accent strip added to make this girl pop. See MSRP sheet for details. This girl was \$112,780 new, a steal for \$79,900. Some pictures are stock.
